

A NOTE FROM THE PRODUCERS

On behalf of **Bruce Wood Dance Dallas** and **Uptown Players**, we welcome you to **TOGETHER**. This collaboration unites our two companies to blend the power of contemporary dance with the emotional depth of musical theater. By merging our unique artistic voices, we have created an evening that celebrates community, resilience, and the shared human experience. We are incredibly grateful to our dedicated artists, crew, board members, and generous donors who made this vision a reality. We would especially like to thank James Lynn Williams for underwriting a portion of this production. Most of all, we thank you, our audience, for joining us and supporting the vibrant performing arts culture here in Dallas!

Enjoy the show!
